

## Interactieve afbeeldingen maken met Thinglink

Met Thinglink kun je een interactieve afbeelding maken en die online delen. Op een afbeelding kun je tags aanbrengen met tekst, foto's, filmpjes, geluid, enzovoort. Maak eerst een gratis account aan. Of log in als je al een account hebt.

## Voorbeelden bekijken

Bekijk eerst wat voorbeelden van anderen om te zien wat er kan. Klik op 'Explore'.

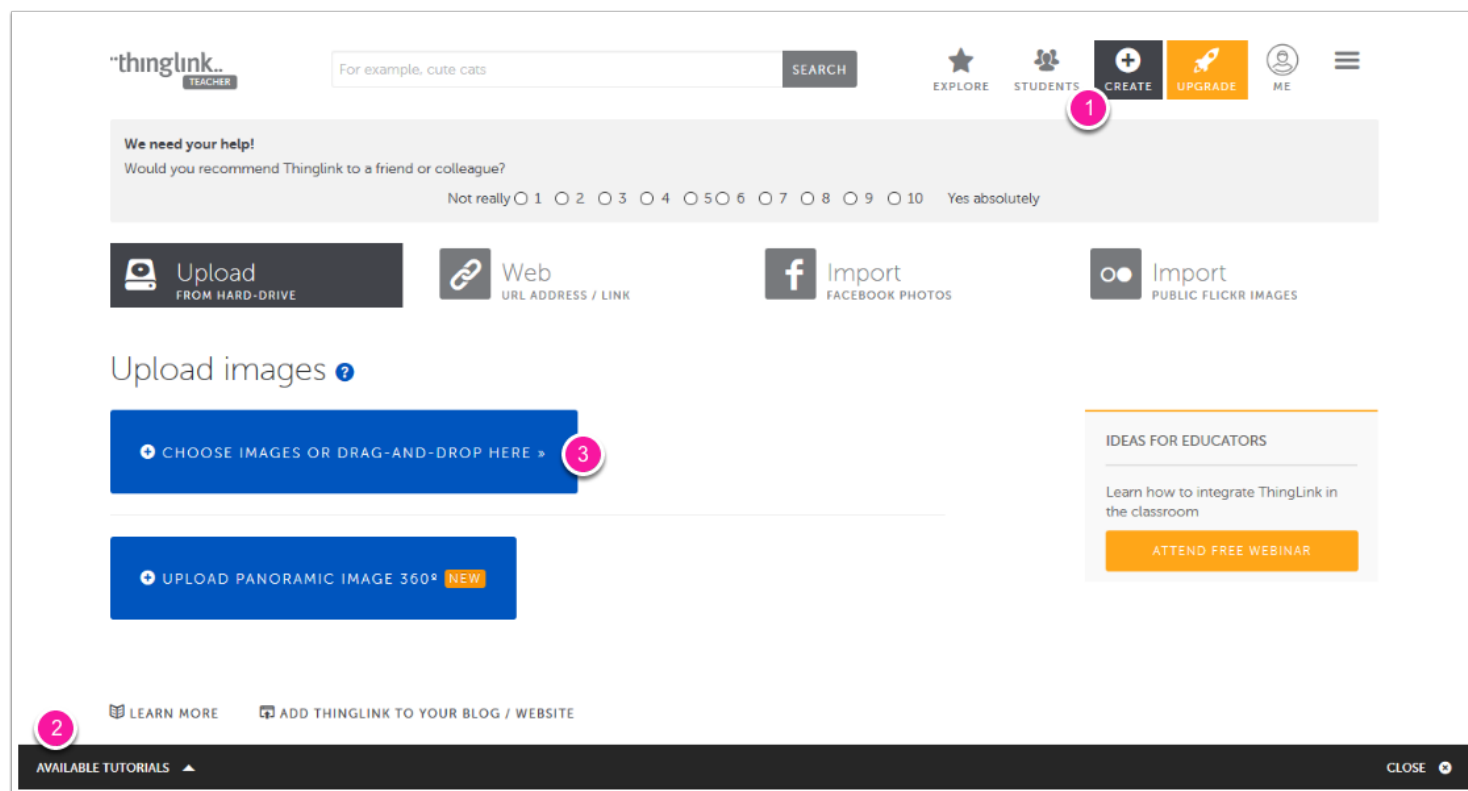

The screenshot shows the Thinglink Teacher interface. At the top, there is a search bar with the placeholder text "For example, one direction". To the right of the search bar are several navigation buttons: "SEARCH", "EXPLORE" (highlighted with a pink arrow), "STUDENTS", "CREATE", "UPGRADE", and "ME". Below the navigation bar, there are tabs for "MY STREAM", "FEATURED", and "CHALLENGES". The main content area displays a grid of interactive image examples, each with a heart icon indicating the number of likes. Examples include:

- A circular infographic titled "HOT" with various statistics and a heart icon of 10.
- A map of Paris with a heart icon of 22, titled "ES. Paris attacks, November 13,...".
- A golden sphere with a heart icon of 16, titled "The cover of the Voyager G...".
- A red carpet event with a heart icon of 58, titled "WLD team: dance list from ...".
- A grid of 48 small images of jazz musicians, titled "Greatest Jazz Musicians Linked to YouTube Videos of their...".
- A historical painting titled "Declaration of Independen..." with a heart icon of 47.
- A grid of 51 small images of album covers, titled "Number one albums from the 60s, 70s...".
- A satellite image of a town with a heart icon of 35, titled "Town of Kouts Cell".
- A screenshot of a Twitter interface with a heart icon of 19, titled "The BLC: A User's Guide".
- A bar chart titled "ONE HUNDRED DOLLARS" with a heart icon of 24.
- A map of Mexico with a heart icon of 66.
- A grid of 48 small images of jazz musicians (repeated).
- A small image of a dog with a heart icon of 387.

## Een interactieve afbeelding maken

Om een nieuwe afbeelding te maken klik je op 'Create'. (1) De eerste keer krijg je een filmpje te zien.

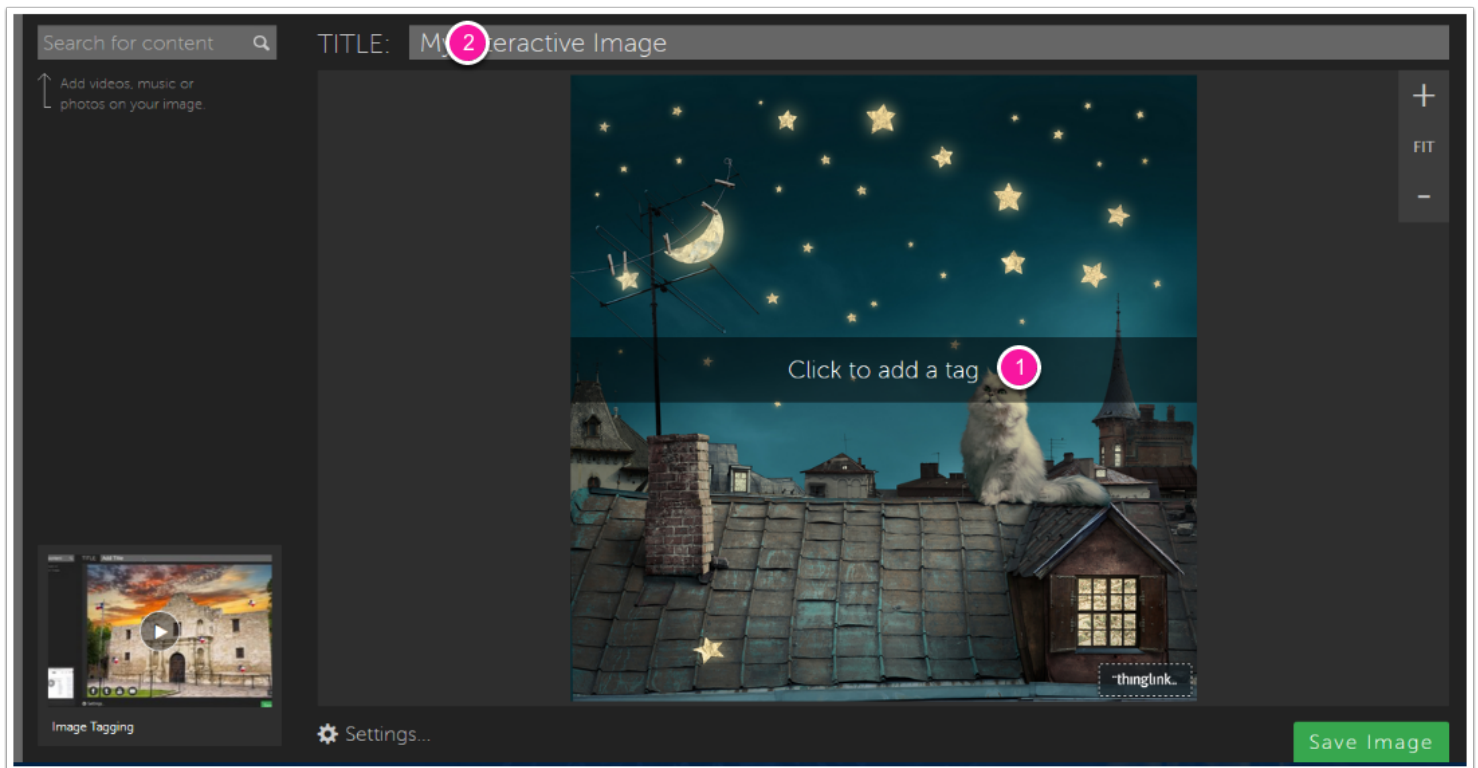

Onderaan het scherm zie je nog meer instructiefilmpjes bij Tutorials. (2) Start met het uploaden van een of meer foto's vanaf een mapje op je computer. (3)

The screenshot shows the ThingLink website interface. At the top, there is a search bar with the placeholder text "For example, cute cats" and a "SEARCH" button. To the right of the search bar are navigation links: "EXPLORE", "STUDENTS", "CREATE" (highlighted with a pink circle and the number 1), "UPGRADE", and "ME". Below the navigation bar is a section titled "We need your help!" with a survey question: "Would you recommend Thinglink to a friend or colleague?". Below this is a row of four buttons: "Upload FROM HARD-DRIVE", "Web URL ADDRESS / LINK", "Import FACEBOOK PHOTOS", and "Import PUBLIC FLICKR IMAGES". Below these buttons is a section titled "Upload images" with a blue button that says "CHOOSE IMAGES OR DRAG-AND-DROP HERE" (highlighted with a pink circle and the number 3) and another blue button that says "UPLOAD PANORAMIC IMAGE 360° NEW". On the right side, there is a section titled "IDEAS FOR EDUCATORS" with a link to "Learn how to integrate ThingLink in the classroom" and a button that says "ATTEND FREE WEBINAR". At the bottom left, there is a section titled "AVAILABLE TUTORIALS" (highlighted with a pink circle and the number 2) with links to "LEARN MORE" and "ADD THINGLINK TO YOUR BLOG / WEBSITE". At the bottom right, there is a "CLOSE" button.

## Naam geven

Je foto is nu klaar om er tags in te zetten. (1) Tik eerst de naam van je interactieve afbeelding. (2)

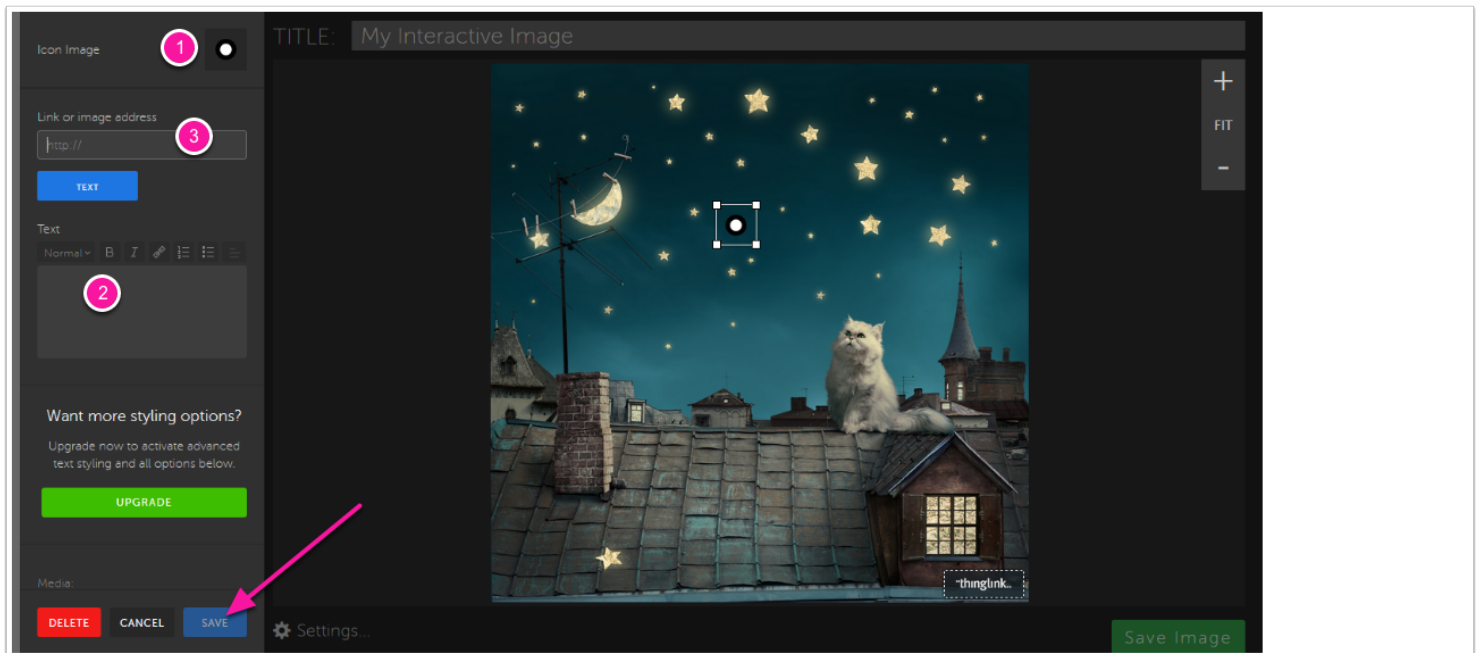

## Eigen tags toevoegen

Klik ergens op het plaatje om een tag te plaatsen. Er opent een venster waarmee je de tag kunt aanpassen. Kies de vorm en kleur van de tag (1). Schrijf hier een tekst (2).

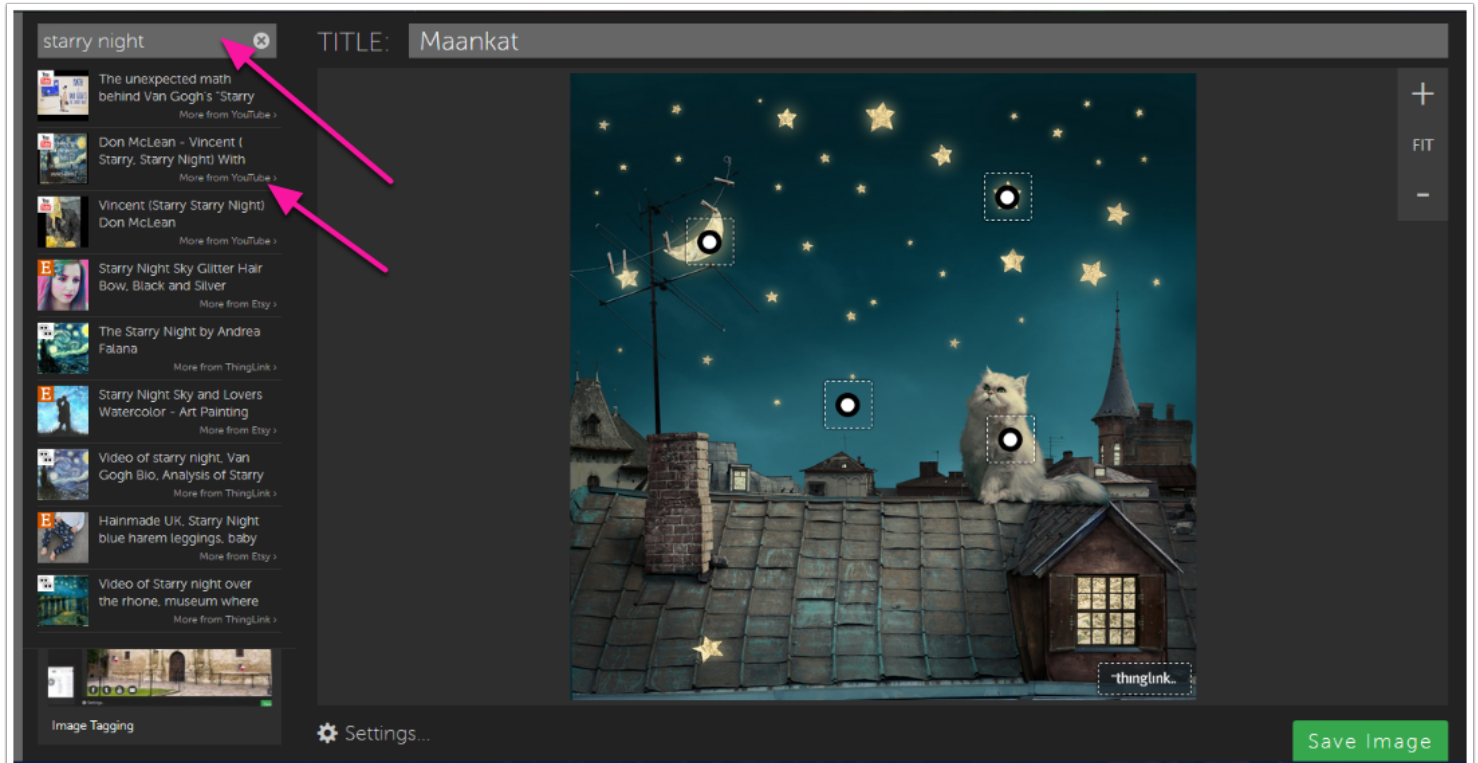

Wil je een tag maken van je eigen foto? Zet ze op internet zodat ze te vinden zijn via een link. (Zet de foto's bijv. op Google drive, Dropbox of Flickr). Kopieer de link en zet deze in het linkvak (3).

Klik op 'Save' als je klaar bent.

## Tag toevoegen van internet

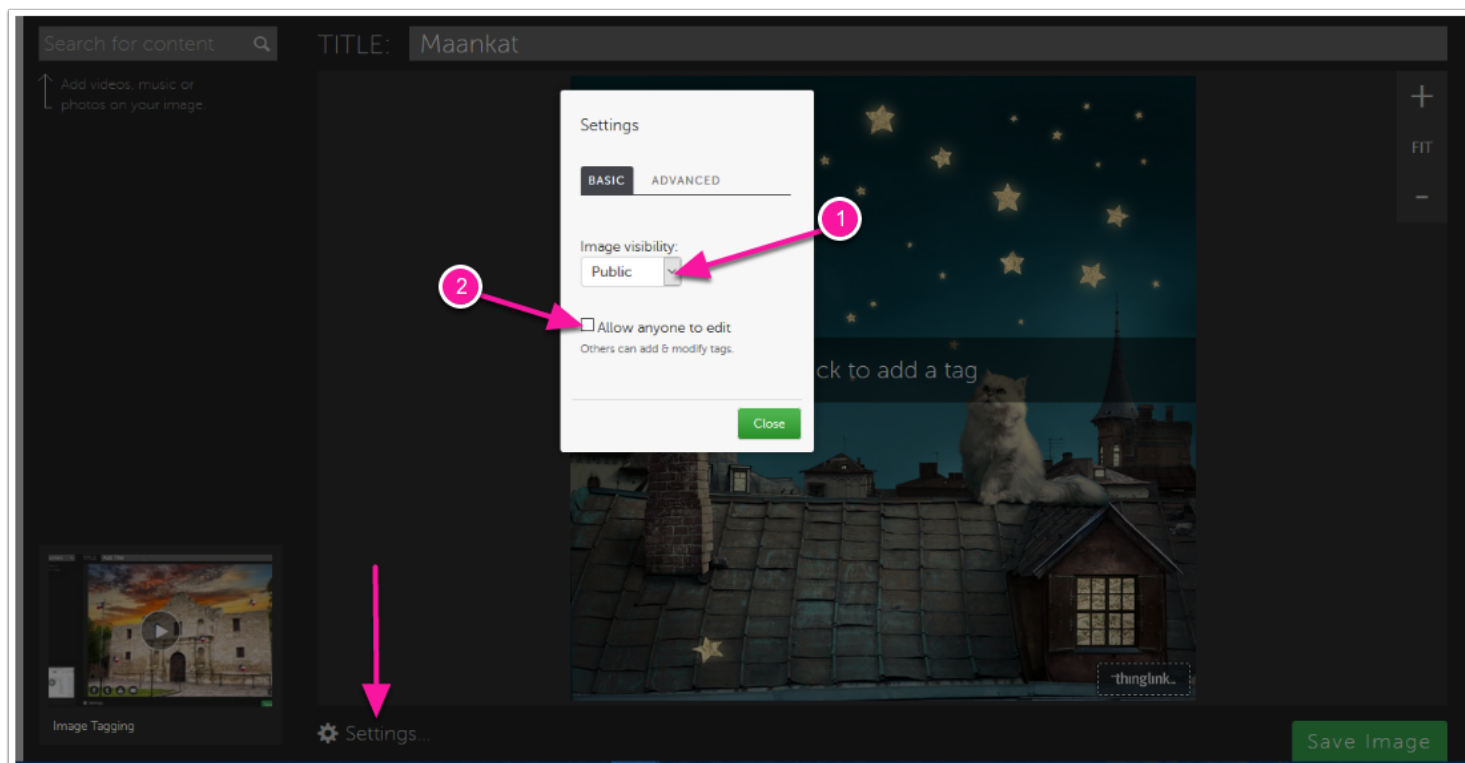

Je kunt ook zoeken op internet naar inhoud voor je tags. Tik linksboven in het zoekvak een woord. Kies een link die past bij wat je wilt vertellen. Zie je niet meteen iets, klik dan op 'More from ...'.

## Instellingen aanpassen

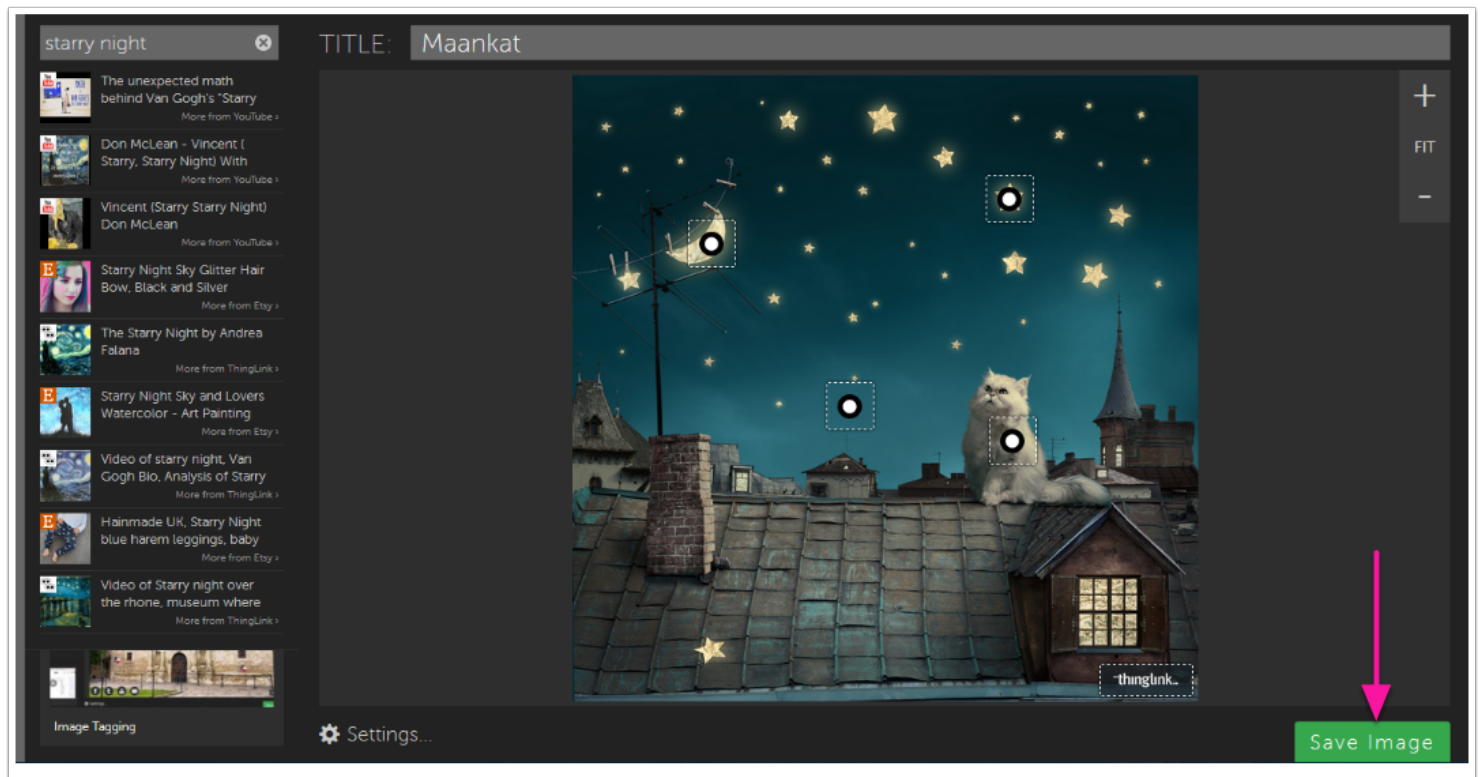

Klik onderin op 'Settings' om de instellingen aan te passen. Wie mag dit zien? Kies public (openbaar) en op de website van Thinglink, of 'unlisted' (alleen voor wie de rechtstreekse link krijgt).

Bepaal ook of anderen jouw interactieve foto mogen wijzigen. Plaats een vinkje als je dat wilt toestaan.  
(2)

## Afbeelding opslaan

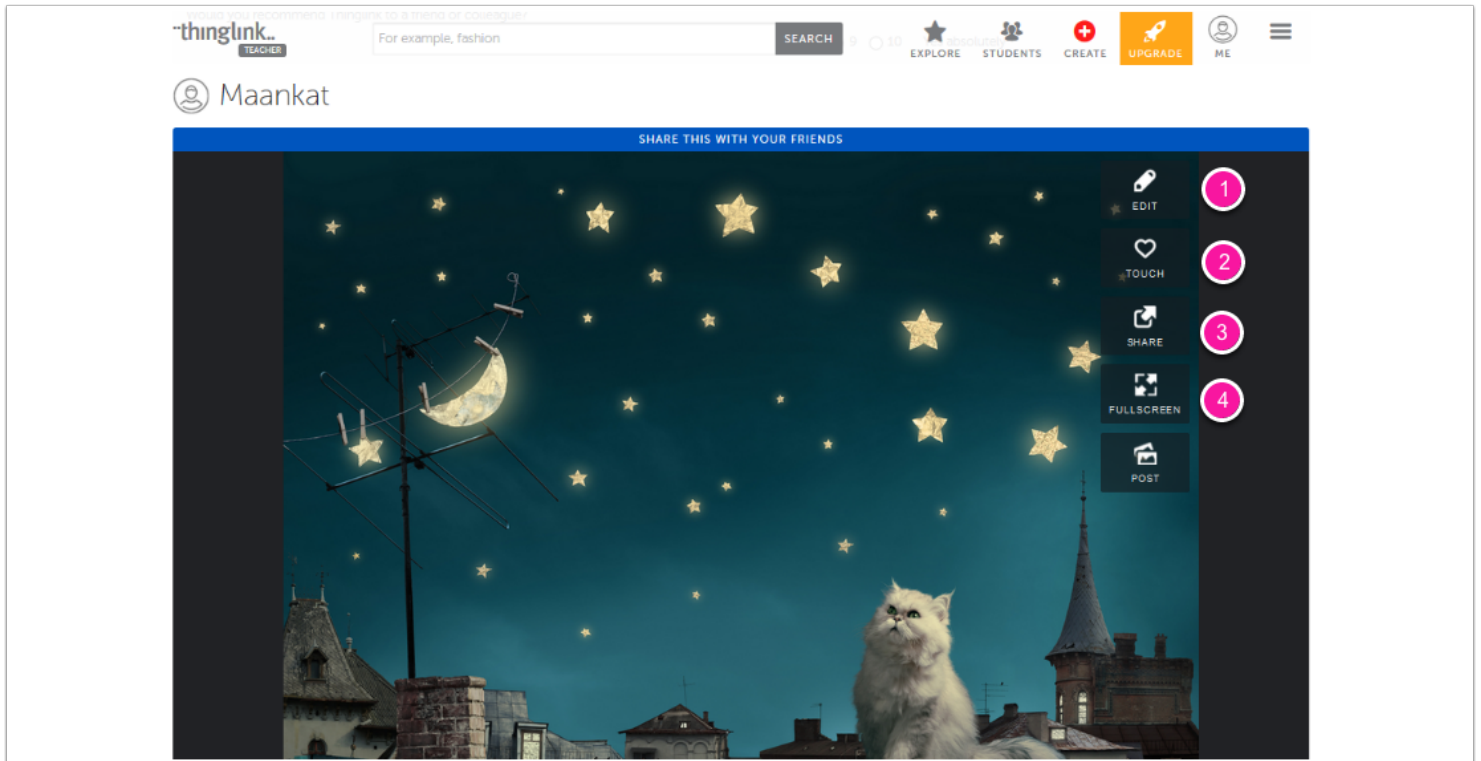

Helemaal klaar? Klik op 'Save' rechtsonder.

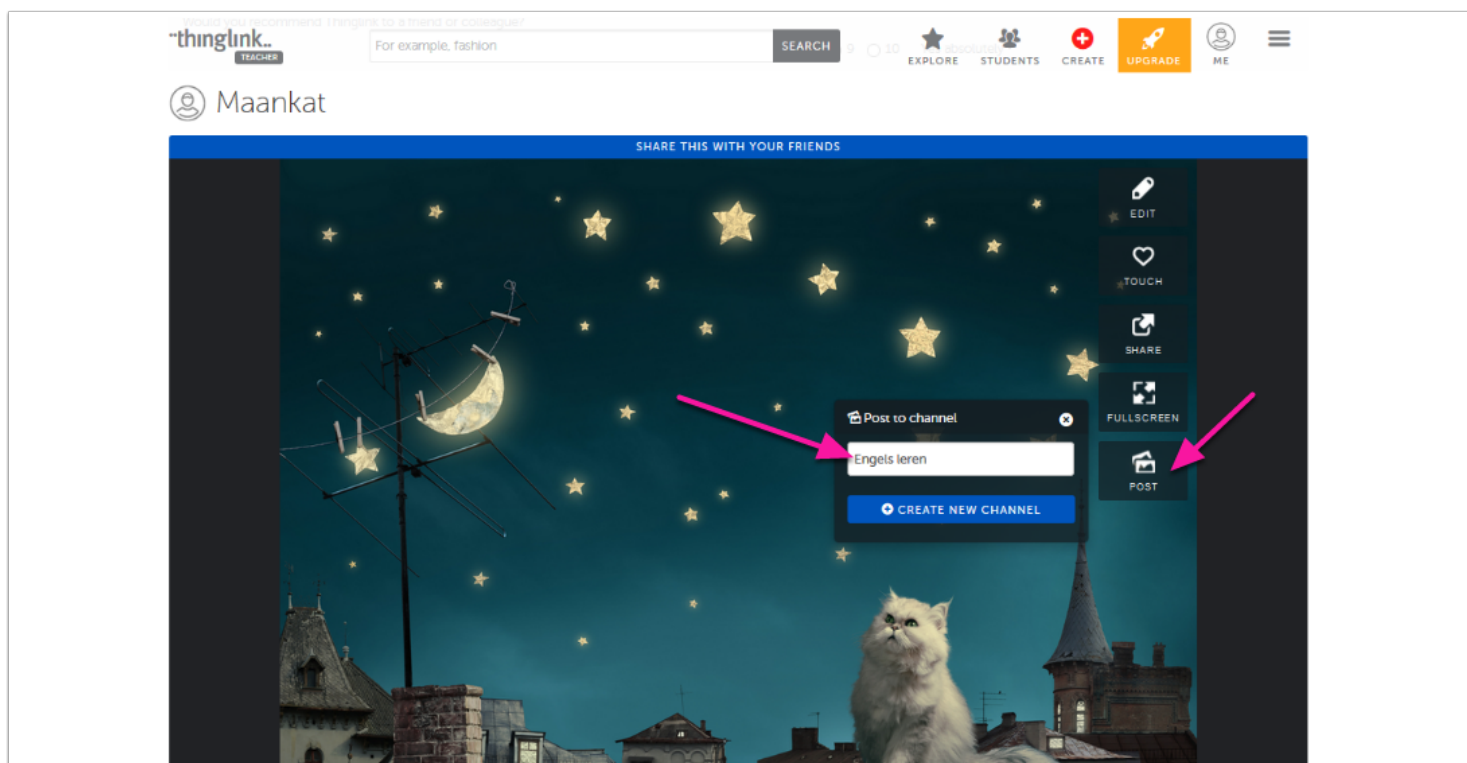

## Je afbeelding delen

Je kunt je opgeslagen afbeelding nu: aanpassen (1), leuk vinden (2), delen met anderen (3), op je hele scherm bekijken (4).

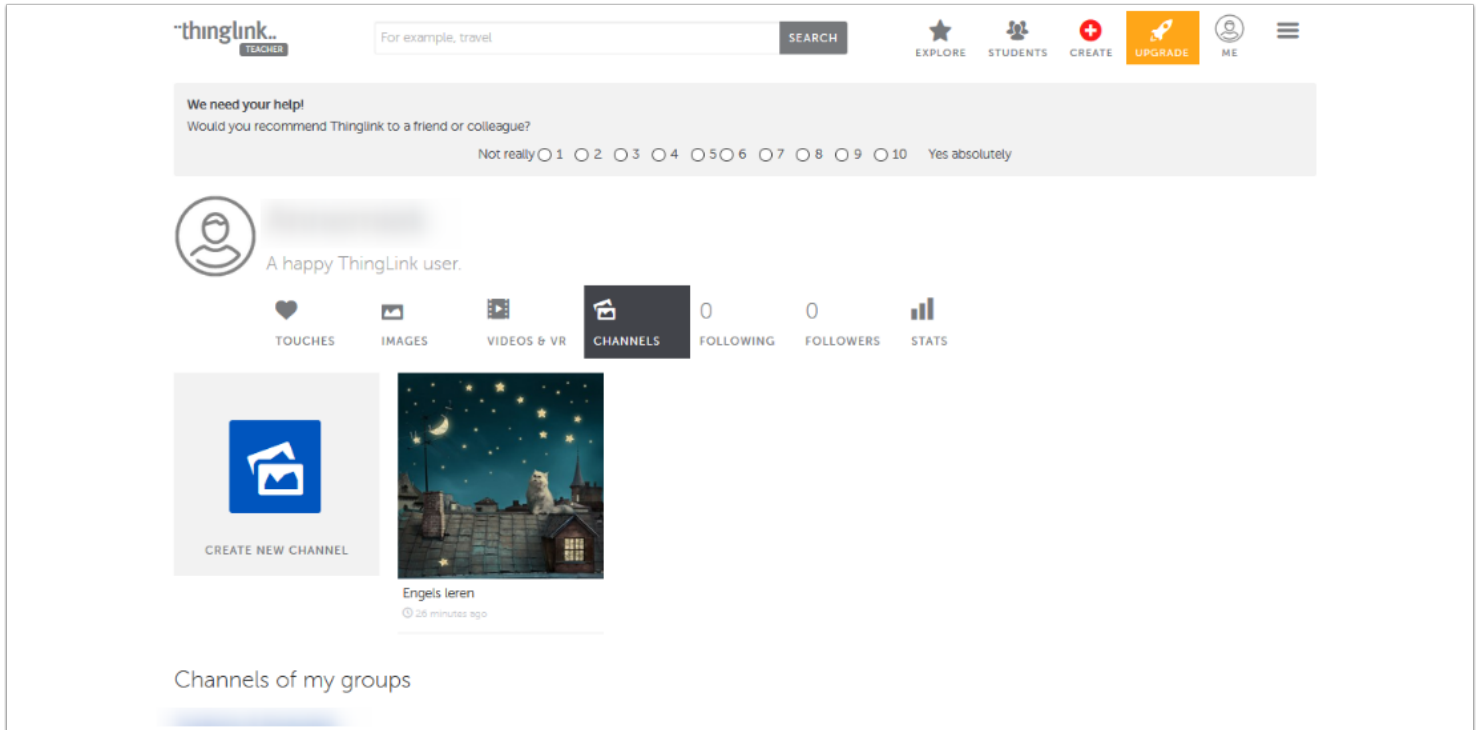

## Een eigen kanaal maken

Je kunt de afbeelding ook delen op de site van Thinglink. Daarvoor is de knop 'Post'. Leerkrachten kunnen een eigen kanaal maken met interactief materiaal. Klik op 'Post' en tik in het venster de naam van je kanaal. Klik dan op 'Create new channel'. Als je al een kanaal hebt gemaakt, tik dan de naam in en zoek het kanaal.

## Het kanaal bekijken

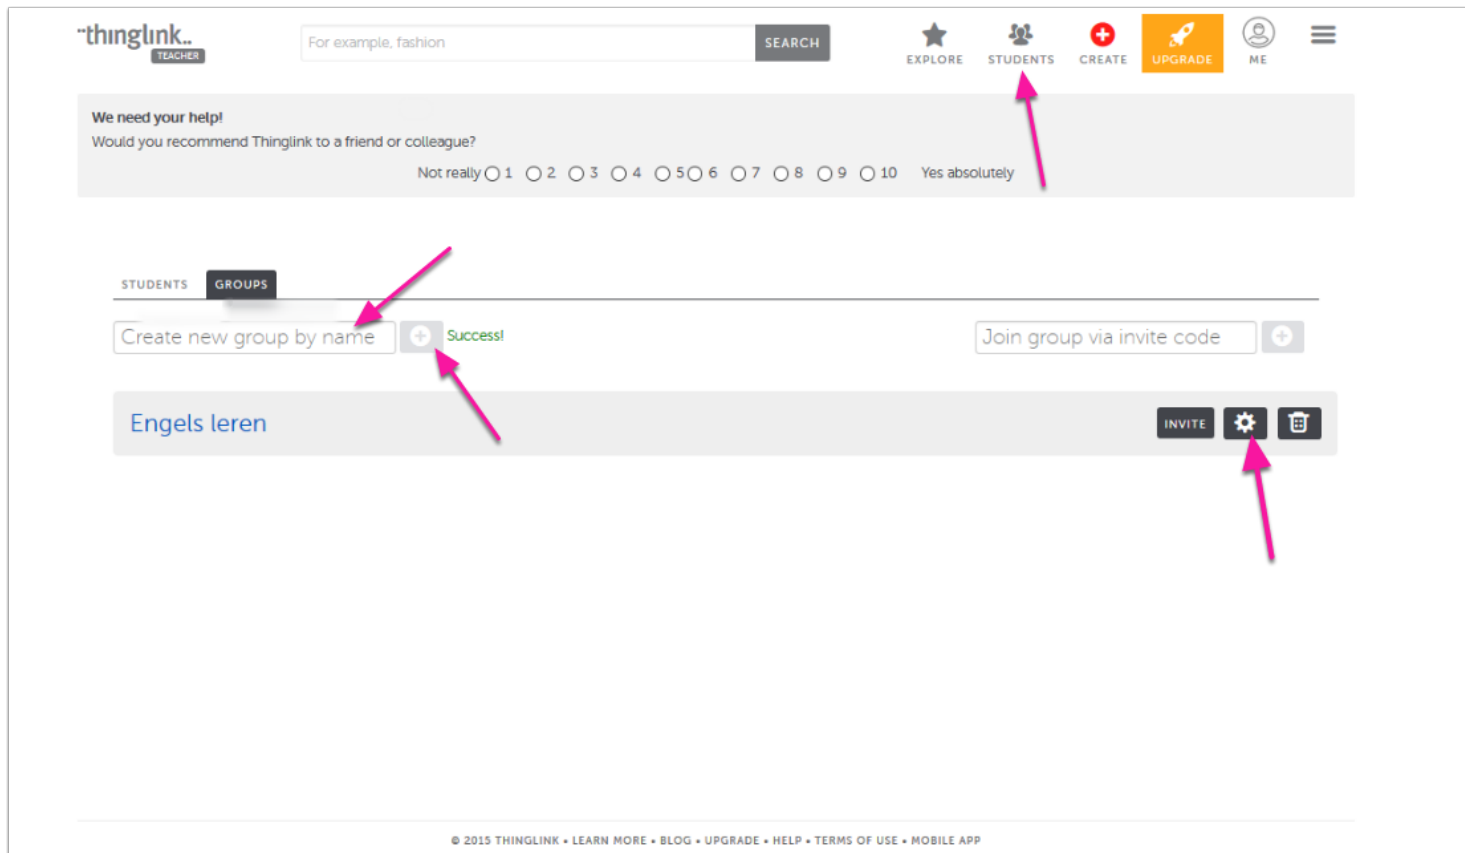

Ga via het menu bovenin naar 'Me'. Klik vervolgens op 'Channels'.

The screenshot shows the Thinglink web application interface. At the top, there is a search bar with the placeholder text "For example, travel" and a "SEARCH" button. To the right of the search bar are navigation icons: a star for "EXPLORE", a group of people for "STUDENTS", a red plus sign for "CREATE", an orange rocket for "UPGRADE", a person icon for "ME", and a hamburger menu icon. Below the search bar is a grey banner with the text "We need your help! Would you recommend Thinglink to a friend or colleague?" and a rating scale from 1 to 10, with "Not really" on the left and "Yes absolutely" on the right. Below the banner is a user profile section for a "happy ThingLink user." with a profile picture icon. Below the profile picture are five tabs: "TOUCHES" (heart icon), "IMAGES" (image icon), "VIDEOS & VR" (video icon), "CHANNELS" (selected, with a folder icon), "FOLLOWING" (0), "FOLLOWERS" (0), and "STATS" (bar chart icon). Below the tabs is a "CREATE NEW CHANNEL" button with a blue folder icon. To the right of the button is a channel preview titled "Engels leren" with a thumbnail image of a night scene with a cat on a roof and stars in the sky. Below the preview is the text "Engels leren" and "25 minutes ago". At the bottom of the screenshot, the text "Channels of my groups" is visible.

## Groep maken

Ga via het menu bovenin naar 'Students'. Maak een groep door een naam te tikken in het vak. Klik dan op het plusje. De groep staat nu in de lijst. Klik vervolgens op het tandwiel om de groep te beheren.

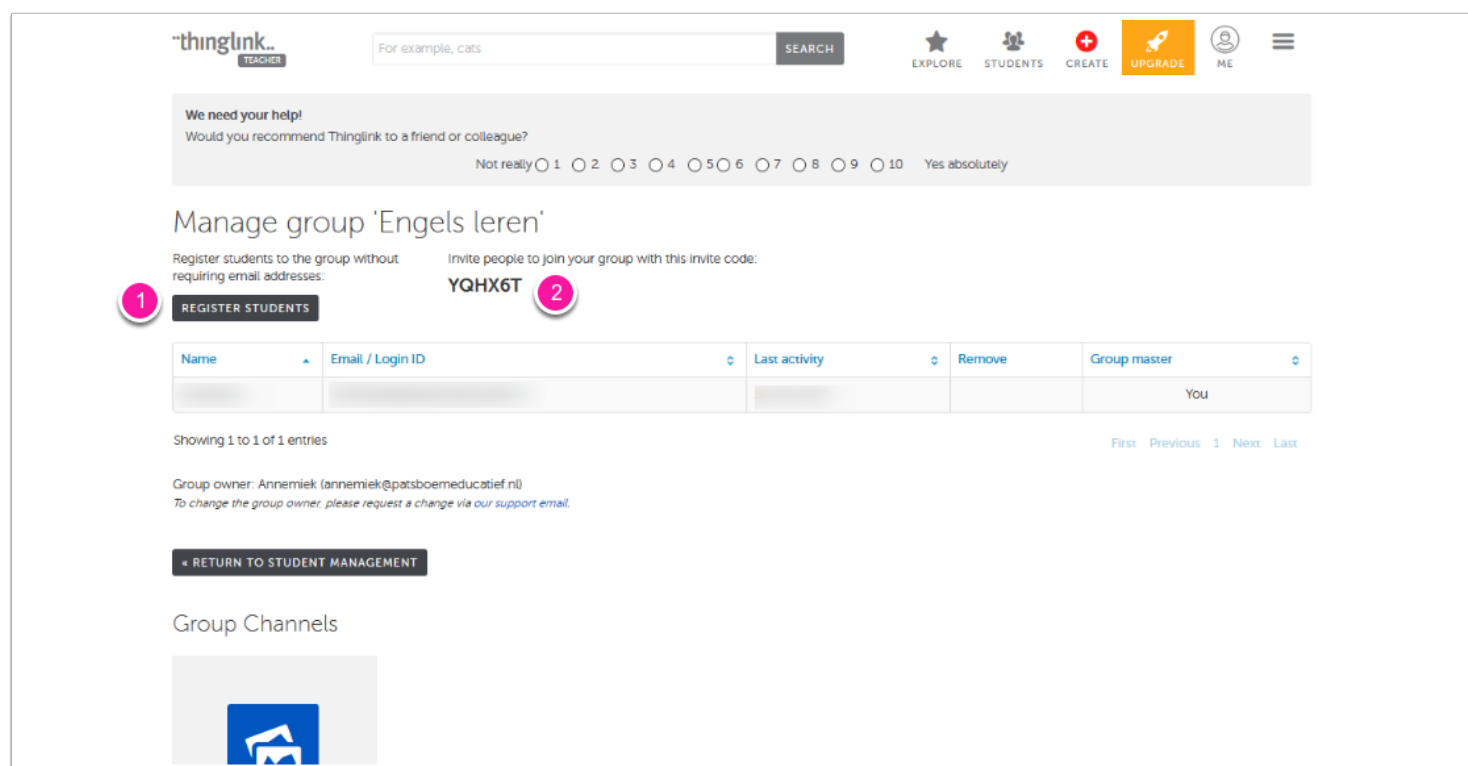

The screenshot shows the Thinglink interface. At the top, there is a search bar with the placeholder text "For example, fashion" and a "SEARCH" button. To the right of the search bar are navigation icons: "EXPLORE" (star), "STUDENTS" (group of people), "CREATE" (plus), "UPGRADE" (rocket), and "ME" (user profile). Below the navigation bar is a section titled "We need your help!" with a survey question: "Would you recommend Thinglink to a friend or colleague?" and a rating scale from 1 to 10. The "STUDENTS" tab is selected, and the "GROUPS" sub-tab is active. In the "GROUPS" section, there is a text input field labeled "Create new group by name" and a "Join group via invite code" field. A pink arrow points to the "Create new group by name" field, and another pink arrow points to the plus icon next to it. Below the input fields, there is a list of groups, with the first group named "Engels leren". To the right of the group name are three icons: "INVITE", a settings gear, and a trash can. A pink arrow points to the settings gear icon. At the bottom of the page, there is a footer with the text: "© 2015 THINGLINK • LEARN MORE • BLOG • UPGRADE • HELP • TERMS OF USE • MOBILE APP".

## Groep beheren

Je kunt op twee manieren leerlingen toevoegen aan een groep.

1. Door leerlingen te registreren. Voor leerlingen die nog geen Thinglink-account hebben. (Zie volgende scherm.)
2. Door een code te delen (invite-code). Voor leerlingen die al wel een Thinglink-account hebben, of die zelf kunnen aanmaken. Met deze code worden ze lid van je groep.

The screenshot shows the 'Manage group' interface for a group named 'Engels leren'. At the top, there's a search bar and navigation links: EXPLORE, STUDENTS, CREATE, UPGRADE, and ME. A survey asks for help with Thinglink. Below, the group name 'Engels leren' is displayed. Two options are shown: 'REGISTER STUDENTS' (marked with a pink circle 1) and 'Invite people to join your group with this invite code: YQHX6T' (marked with a pink circle 2). A table lists group members, with one entry for 'You' as the group master. Below the table, it says 'Showing 1 to 1 of 1 entries' and provides navigation links. At the bottom, there's a 'RETURN TO STUDENT MANAGEMENT' button and a section for 'Group Channels' with a video player icon.

**Manage group 'Engels leren'**

Register students to the group without requiring email addresses: **REGISTER STUDENTS** (1)

Invite people to join your group with this invite code: **YQHX6T** (2)

Name	Email / Login ID	Last activity	Remove	Group master
				You

Showing 1 to 1 of 1 entries

Group owner: Annemiek (annemiek@patsboemeducatief.nl)  
To change the group owner, please request a change via our support email.

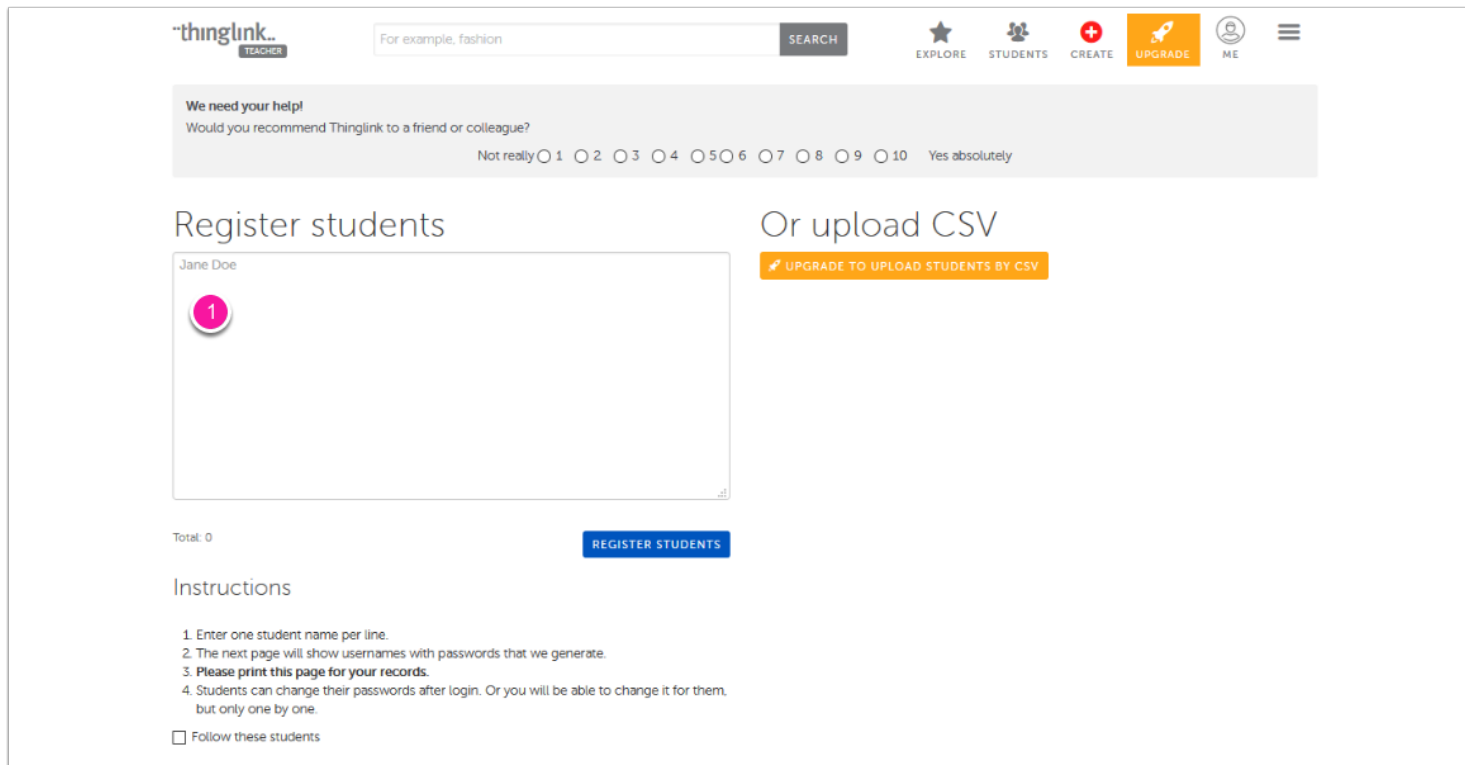

**RETURN TO STUDENT MANAGEMENT**

**Group Channels**

## Leerlingen registreren

Voeg leerlingen toe aan Thinglink. Je kunt eenvoudig de namen (of bijv. leerlingnummers) invoeren (1). De bevestigingen komen in jouw e-mailbox. Daarna kunnen leerlingen inloggen en het wachtwoord aanpassen.

The screenshot shows the 'Register students' page on the Thinglink website. At the top, there is a search bar with the placeholder text 'For example, fashion' and a 'SEARCH' button. To the right of the search bar are navigation links: 'EXPLORE', 'STUDENTS', 'CREATE', 'UPGRADE', and 'ME'. Below the search bar is a grey box with the text 'We need your help! Would you recommend Thinglink to a friend or colleague?' and a rating scale from 1 to 10, with 'Not really' on the left and 'Yes absolutely' on the right. The main content area is divided into two sections. The left section is titled 'Register students' and contains a text input field with the placeholder text 'Jane Doe'. Below the input field is a blue button labeled 'REGISTER STUDENTS'. The right section is titled 'Or upload CSV' and contains an orange button labeled 'UPGRADE TO UPLOAD STUDENTS BY CSV'. Below the 'Register students' section, there is a 'Total: 0' label and a list of instructions. The instructions are: 1. Enter one student name per line. 2. The next page will show usernames with passwords that we generate. 3. Please print this page for your records. 4. Students can change their passwords after login. Or you will be able to change it for them, but only one by one. At the bottom of the instructions, there is a checkbox labeled 'Follow these students'.
