

**JOIN IN | STORYCARDS | GROUP 7 - 8 | MANUAL**

---

Children create their own story with the storycards of *juf en meester*.

Make a few copies of the cards and cut them out. Hand out the cards or let every child (or a group of children) pick a card. They choose three words that have to be in the story. Then they start creating their story. They can draw, write, portray or tell the story. They can also make a roleplay. All in English, of course.
